SCHOOL PROCEDURES

ABSENCES FOR STAFF

The designee for obtaining emergency substitutes for the 2014-2015 school year is Ms. Allison. All staff members are expected to report absences by calling 305-242-6141 and follow the prompts. When you have been absent, you must call Ms. Allison no later than 2:00 p.m. to let her know if you are returning to work the following day. If we do not hear from you by 2:00 p.m., we will retain the substitute for the next day.

ACCIDENTS AND INJURIES OF STAFF

Any staff member who is injured while on the job is required to report the incident to the office immediately. The injured staff member must also complete an accident report. Report all incidents for your protection and insurance purposes. If medical attention is required, check the list of authorized physicians since workmen’s compensation will cover only the physicians authorized.

ACCIDENTS AND INJURIES OF STUDENTS

When a student is injured, an accident report must be filled out by the supervising teacher at the time of the accident. The teacher should call the student’s parent or guardian immediately to report the injury.

All injuries must be reported, e.g. pencil stabs, scratches, etc.

The supervising teacher or staff member present at the time of the incident is responsible for:
- Filling out the accident report at the time of the accident;
- Notifying the parent or guardian immediately;
- Requesting assistance for coverage if necessary;
- Informing the administrator in charge of the accident or injury; and
- Ensuring that the injured child is made as comfortable as possible (medication may NOT be administered). The child must be sent to the school clinic so that any needed services may be provided.

ADMINISTRATIVE TEAM

Your Administrative Team is here to support and assist you at all times. It is extremely important to inform the principal and/or assistant principal of any situation or incident that may become a potential problem. Please be informed that it is not acceptable to leave a message with the secretary. Mrs. Jacqua Little, Principal or, Mrs. Yolanda Oliu, Assistant Principal must be notified.

ALARM

The entire school is on a district monitored and sensitive alarm system to enhance security. Therefore, your cooperation is asked in closing all windows at the end of the day and not
hanging mobiles or fixtures from the ceiling of classrooms. Access to classrooms after school hours must be authorized by a member of the administration.

**AMERICANS WITH DISABILITIES ACT**

The School Board of Miami-Dade County, Florida adheres to a policy of nondiscrimination in employment and strives affirmatively to provide equal opportunity for all as required by state and federal law. The Board attempts to identify and overcome real or potential artificial barriers to employment, training, or promotional opportunities for its staff and applicants.

In addition, the School Board of Miami-Dade County, Florida has established procedures to assure nondiscrimination in employment, and the elimination of harassment. It is the policy of the School Board that all employees will be treated with respect. Hostile treatment or violence against an employee because of his/her gender, race, color, religion, ethnic or national origin, political beliefs, marital status, age, sexual orientation, social and family background, linguistic preference, or disability, will not be tolerated.

**STUDENT ATTENDANCE--SPECIFIC RESPONSIBILITIES**

*(Based on School Board Rule 6GX13-5A-1.041)*

There are probably no factors more important to a student’s progress in school than regular and punctual attendance. Miami-Dade County Public Schools has a vision whereby each student engages in a rigorous course of study which prepares him/her for a myriad of successful post-secondary options. Students are expected to:

- Be present at school each and every day;
- Attend class as scheduled;
- Arrive to school and class(es) on time; and
- Demonstrate appropriate behavior and a readiness to learn.

Miami-Dade County Public Schools has the affirmative obligation to increase student attendance through a monitoring process that will classify all absences as excused or unexcused, to inform parent/guardians of student absences, and to see that the compulsory attendance laws are enforced as mandated by Florida Statutes. This obligation will be satisfied through the implementation of an attendance review procedure, which monitors the type and number of student absences as well as the impact of these absences on learning.

**I. Attendance Defined**

School Attendance - Students are to be counted in attendance only if they are actually present or engaged in a school-approved educational activity which constitutes a part of the instructional program for the student.

Class Attendance - Students are to be counted in attendance if they are physically present in class or have been excused by the teacher on a class-related assignment, or have been requested by a member of the school support staff for an approved school activity.

Tardiness - It is a reasonable expectation that in order for a learning activity to exist, each student must arrive to class on time (punctually). Accumulated unexcused tardies will be counted towards the threshold for initiating attendance review.
Early Sign-outs – The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final 30 minutes of the school day unless authorized by the principal or principal’s designee (i.e., emergency, sickness).

II. Absences Defined

Excused School and Class Absences and Tardies

- Student illness: Students missing 3 or more consecutive days of school due to illness or injury are required to provide a written statement from a health care provider. The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider in order to receive excused absences from school.
- Medical appointment: If a student is absent from school due to a medical appointment a written statement from a health care provider indicating the date and time of the appointment must be submitted to the principal.
- Death in family
- Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service be observed.
- School-sponsored event or educational enrichment activity that is not a school-sponsored event, as determined and approved by the principal or principal’s designee: The student must receive advance written permission from the principal or the principal’s designee. Examples of special events include: public functions, conferences, and regional, state and national competitions.
- Subpoena by law enforcement agency or mandatory court appearance.
- Outdoor suspensions
- Other individual student absences beyond the control of the parent/guardian or student, as determined and approved by the principal or the principal's designee. The principal shall require documentation related to the condition.

B. Unexcused School Absence

Any absence that does not fall into one of the above excused absence categories is to be considered unexcused. Any student who has been absent from school will be marked unexcused absent until he/she submits required documentation as specified above. Failure to provide required documentation within three school days upon the return to school will result in an unexcused absence. Unexcused absences include:

- Absences due to vacations, personal services, local non-school event, program or sporting activity.
- Absences due to older students providing day care services for siblings.
- Absences due to illness of others.
- Absences due to non-compliance with immunization requirements (unless lawfully exempted).

A student accumulating ten (10) or more class unexcused absences in an annual course or five (5) or more class unexcused absences in a designated semester course will have quarterly,
semester and final grade(s) withheld pending an administrative screening and completion of assigned interventions by the Attendance Review Committee. Unexcused absences do not require that the teacher provide make-up work for the student. However, the Attendance Review Committee may assign educationally-related activities to mitigate the loss of instructional time.

III. Responsibilities Defined

A. The principal is expected to ensure that:
   - Attendance/tardiness is taken and recorded by duly authorized persons at a designated time(s) every official school day.
   - A review of classes that have excessive absences is made in order to determine if the quality of instruction is a factor in the failure of students to attend class on a regular basis. Should this be the case, he/she will initiate appropriate action to upgrade the quality of instruction in the classroom(s) in question.
   - A duly authorized person(s) determines the status of each absence/tardiness.

The steps outlined in Section 1003.26, Florida Statutes to ensure regular school attendance are implemented. An Attendance Review Committee is established and convened a minimum of six (6) times per year. Provide consideration to appeals made by students and/or parents regarding recommendations of the Attendance Review Committee.

B. The classroom teacher is expected to:
   - Encourage good school and class attendance with challenging and rigorous instruction and curriculum and by demonstrating an interest in the welfare of students.
   - Take and record attendance/tardiness for the students enrolled in each class. The record should reflect excused or unexcused absences/tardiness.
   - Upon request of the student or the parent/guardian, provide make-up assignments for excused absences/tardiness.
   - Make recommendations to the Attendance Review Committee regarding quarterly, semester and final grades when the student has accumulated ten (10) unexcused absences in an annual course or five (5) unexcused absences in a designated grading period or semester course.

C. The student is expected to:
   - Attend classes one hundred and eighty (180) days each school year.
   - Request the make-up assignments for all excused absences/tardiness from his/her teachers upon his/her return to school or class. It should be noted that all class work, due to the nature of instruction, is not readily subject to make-up work.
   - Complete the make-up assignments for classes missed within three days of the return to school. Failure to make up all assignments will result in the lower assessment of the student's academic and/or effort grade.
   - Be reported as present for the school day in order to participate in athletic and extracurricular activities.

D. The parent/guardian is expected to:
   - Be responsible for his/her child's school attendance as required by law and stress the importance of regular and punctual school attendance with his/her child.
   - Report and explain an absence or tardiness to the school.
• Ensure that the child has requested and completes makeup assignments for all excused absences/tardiness from his/her teachers upon his/her return to school or class.
• Appear before the Attendance Review Committee at the scheduled time to provide information relating to his/her child's absences and to support prescribed activities.

E. The Attendance Review Committee is comprised of a minimum of a student services representative and an administrator or administrative designee and will provide guidance and support to students with significant absences. They are expected to:
• Provide early intervention by convening when students reach an accumulation of five (5) unexcused absences in a semester or ten (10) unexcused absences in an annual course.
• Convene a minimum of six (6) designated times per year.
• Give consideration to all extenuating circumstances surrounding student absences.

The Attendance Review Committee is charged with the responsibility of prescribing activities designed to mitigate the loss of instructional time and has the authority to recommend the following:

• Issuing of quarterly, semester or final grades.
• Temporary withholding of quarterly, semester or final grades. The following are among possible options:
  1. Make-up assignments
  2. Attendance probation for the following grading period(s)
  3. Completion of a school service project
  4. Permanent withholding of quarterly, semester or final grades and credit. The student is to be informed of his/her right of final appeal to the regional superintendent or designee.
• Review attendance history for student exhibiting patterns of excused and/or unexcused absences and provide appropriate referrals and counseling support.

IV. Appeal Process

The parent or guardian who does not concur with decisions made by the Attendance Review Committee may petition to the principal or principal’s designee. The final level of appeal will be processed by the Regional Superintendent or designee.

V. Truancy petition; prosecution; disposition

If a child does not comply with efforts to enforce school attendance, the Superintendent may file a truancy petition pursuant to Section 984.151, History: THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA
New: 4-18-07

ATTENDANCE REPORTING PROCEDURES

Daily student attendance will be recorded using the electronic gradebook. Teachers will be responsible for the prompt and accurate input of attendance no later that 9:00.m each morning. The data submitted by teachers via the electronic grade book will be routed to ISIS and uploaded to the district’s system. Once the attendance information has been entered in the electronic grade book, changes will not be possible. All changes will have to be done by Mrs. Vincenti.
Any student absent from class will be automatically unexcused until documentation has been submitted to the teacher indicating the absence was within the excused category. Teachers MUST submit an attendance correction form to Mrs. Vincenti on a weekly basis.

Teachers are to maintain a daily attendance record for each individual student by printing a weekly roster (subject to change) and inserting it in the gradebook. The teacher’s gradebook is the source document for attendance data.

**ATTENDANCE BULLETIN**

Each school must maintain a log of Daily Attendance Bulletins as part of the audit trail for attendance and FTE reporting. See attached memorandum for more information.

**IMPORTANT: IT IS REQUIRED THAT THE ATTENDANCE BULLETIN BE VERIFIED BY ALL INSTRUCTIONAL PERSONNEL DAILY. THE BULLETIN WILL BE POSTED BY THE SIGN IN SHEET FOR TEACHERS TO VERIFY ABSENCES AND INITIAL THAT THE ATTENDANCE IS CORRECT. PLEASE NOTIFY THE ATTENDANCE CLERK IF YOU NOTE AN ERROR.**

**BULLETIN BOARDS**

The teacher and his/her students are responsible for maintaining the bulletin boards in their classrooms. Student work is to be displayed in a neat and attractive manner. Please use backing on all bulletin boards. You are encouraged to design original bulletin boards instead of using commercial (Drago, Get Smart, etc.) materials.

Please **DO NOT** use tacks and staples on the wooden areas in the room, doors, or areas other than bulletin boards. Sticky tack may be used on areas other than bulletin boards but must be completely removed by the year’s end. As per fire code requirements, no more than 20% of an individual wall may be covered with non-flame retardant material.

Each Grade level will be assigned a particular bulletin board in which they are responsible for decorating. The Assistant Principal will assign these bulletin boards.
CAFETERIA PROCEDURES

Teachers are to escort their students into the serving line in accordance with the lunch schedule. Teachers must return to the cafeteria to pick up their students on time.

All students must be given an index card with their number when coming to eat in the cafeteria until they memorize their meal identification number. Teachers must help students learn their numbers. Teachers should assist the students initially in locating their appropriate seats. Students should enter and leave the cafeteria quietly. Complete rules and regulations concerning cafeteria behavior should be reviewed and enforced with the students. These can be found in the student handbook. The support of the teacher is crucial to the establishment of a proper cafeteria environment.

We have scheduled a 30 minute lunch period with no lapse of time between classes. The schedule calls for punctuality. Adhere to the schedule and table locations. Review cafeteria rules carefully with your children. It is most important for each teacher to establish lines of communication with the cafeteria monitors. Teachers are to pick up their class inside the cafeteria. Classes are responsible for cleaning their area.

Staff members are free to leave the work location during their duty-free lunch period upon signing out in the log located in the office by the fax machine. Please sign in upon your return.

*Parents will not be allowed to eat breakfast or lunch with their child during the school day due to safety concerns.*

CERTIFICATES

It is the professional responsibility of each educator to provide the principal with a copy of a current, valid Florida Educator’s Certificate or copies of other documentation such as Statement of Eligibility and or college transcripts, as may be applicable (Florida State Board of Education Rule 6A-1.0503). You may access http://pers.dadeschools.net/prodev/certification.htm or http://www.dade.k12.fl.us/pers/prodev/6317.pdf for information. Furthermore, you must send a copy to the district office for input into the computer system.

CHILD ABUSE

Pursuant to Chapter 415, Florida Statutes, all employees or agents of the school Board of Miami-Dade County, Florida have an affirmative duty to report all actual or suspected cases of child abuse or neglect. Any teacher that contacts DCF should inform the administration and counselor(s) to ensure appropriate follow-up. There are no exceptions. Failure to report abuse can result in criminal or civil liability. When in doubt, report!

CHILDREN PLACED OUTSIDE OF THE CLASSROOM

Placing students in the hallway outside of the classroom unsupervised is NOT PERMITTED UNDER ANY CIRCUMSTANCES. If you feel a child needs to be separated from the class due to total disruptive behavior, please send the student to the office with a Student Case
Management Referral (SCM) Form. Do not place students outside your classroom for instructional purposes either.

**CLASSROOM EMERGENCIES REQUIRING CUSTODIAL SERVICES**

All classroom emergencies, eg., toilet overflows, spills or leaks, student vomiting, electrical problems, etc., are to be reported to the main office, by dialing extension 2113.

**COFFEE/EATING IN CLASSROOM**

Staff members who want a cup of coffee should arrive early enough to finish it before their assigned time with students begins. Coffee, food, soft drinks, and water should never be consumed in the classroom or in front of the students. **PLEASE DO NOT EAT OR DRINK IN YOUR CLASSROOMS.** Eating is permitted only in the cafeteria and the teachers' lounge. The only exception to this is for classes that eat in their room.

**CLASSROOM SUPERVISION**

Under no circumstances should the classroom teacher leave his/her students unattended. Teachers should not use cell phones during instructional time.

The teacher is responsible for students enrolled in his/her class(es). An official pass must be used whenever a student leaves the classroom without a teacher. Teachers should initiate a “buddy system” when students leave the classroom for other locations.

The teacher must escort his/her students to and from special area classes. A teacher CANNOT send students to special area classes, the cafeteria or back to their homeroom class without teacher supervision. Special area teachers must remain with the students until the classroom teacher returns. All teachers are required to arrive at their scheduled class on time in order to promote effective classroom management.

**CLINIC**

When a child comes to the clinic because of an illness or an accident, a clinic pass or a note describing the problem should accompany him/her. The nurse will contact parents or persons named in the emergency contact information. No medication or treatment may be administered by any school personnel. No child may bring or take any medication unless proper documentation is on file in the office, and then only under supervision of trained personnel.

**COLLECTION OF MONIES**

Money collected for school pictures, insurance, or special activities must be submitted to the office each day. No money should be kept by teachers overnight. Plans involving collection of funds must be cleared with the principal before they are implemented.

All monies collected must be submitted with a RECAP OF COLLECTION SHEET listing the students’ names and the amount collected. Please refer to the collection of money procedures located in the back of this handbook (pages 31-33).
COMMITTEES

The principal will be responsible for electing/selecting a chairperson. The chairperson will be responsible for scheduling meetings, setting up the agenda, and setting the pace of the meetings. They must also make sure that the outcomes of the meeting are disseminated to the staff. The chairperson must make certain that the goals of the committee are being met. The committee will appoint a secretary who will keep minutes and turn them into administration as a record of on-going activities.

The following is a list of Avocado committees:

- EESAC
- Field Day

COMMUNICATIONS OUTSIDE THE SCHOOL

No letters or notices bearing the school's letterhead are to be sent to parents, agencies, organizations, or individuals within the school without being approved by Mrs. Little, principal.

Teachers and other personnel who send communications to the parents via the student or U.S. Mail such as bulletins, flyers, homework assignments, letters, notices, notes, progress reports, etc. are directed to proofread the written or printed material for grammatical errors, incorrect spelling and punctuation, and legibility before forwarding it. Written assignments placed on the chalkboard should be scrutinized by the same aforementioned process in order to avoid criticism and embarrassment. Communications generated, displayed, forwarded and distributed to parents, agencies and the school/community should depict a positive image of our school.

CLASSROOM DISCIPLINE

Teachers should make every effort to handle routine classroom discipline problems by providing a Progressive Discipline Plan, conferring with the student, contacting parents, and referring the student to the counselor when appropriate. The Plan consists of:

1. 1st incident, teacher will attempt to redirect student.
2. If incident continues, teacher will use disciplinary strategies, such as timeout.
3. If incident continues, teacher will contact parent/guardian.
4. If incident continues, teacher will refer student to the counselor.
5. If incident continues, teacher will arrange parent/guardian conference in order to cohesively devise an intervention plan that will promote academic and behavioral achievement.
6. Refer to an administrator.

If a serious violation of school rules has occurred, a "Student Case Management Referral Form" should be completed and forwarded to the administration. A response will be forthcoming.
If a student presents an immediate and serious discipline problem, uses the emergency call button located in your room or send a reliable student to the office to summon an administrator. Office referrals should be used as a final resort in order to make it a significant experience.

UNDER NO CIRCUMSTANCES SHOULD STUDENTS BE TOLD TO LEAVE THE CLASSROOM. ALWAYS WALK IN 2s AND 3s IF STUDENT IS LEAVING.

Good classroom management is essential for effective operation of the total school program and the teacher plays an important role in this area. The teacher must give careful attention to the emotional, social, physical, and civic development of students and incorporate into his/her program a plan of guidance that leads youngsters towards self-control. Discipline cannot be handled by proxy. It involves standards of conduct as well as consistent and reasonable consequences for inappropriate behavior.

The following student offenses should be handled by the classroom teacher.
1. Tardiness (unless it is excessive)
2. Profanity
3. Unauthorized removal of another’s property (minor infraction, eg, pencil, book)
4. Excessive talking
5. Getting out of seat without permission
6. Failure to complete assignments
7. Failure to turn in homework
8. Other minor infractions of classroom/school rule

The following student offenses will be referred to the counselor/administration.
1. Leaving the classroom and/or school without permission.
2. Bringing weapons and/or drugs to class/school
3. Serious fights which cause injury or disrupt the educational process
4. Excessive profanity
5. Destruction of school property
6. Flagrant disrespect or defiance of authority
7. Verbal or physical assault on teacher
8. Continued tardies or absences following teacher's warning
9. Unauthorized removal of another’s property (major infraction)

The disciplinary policies of the school should be administered on a consistent basis throughout the school. The CODE OF STUDENT CONDUCT should be reviewed with students at the beginning of each school year.

NEVER
- Use corporal punishment of any kind (hitting, taping or tying students, having students stand for long periods of time, write lines etc.).
- Send a child to stand outside a classroom where he/she is unsupervised.
- Use humiliation or sarcasm.
- Impose total group punishment of any kind.
- Assign excessive, meaningless, repetitive assignments as punishments.

The administration will attempt to support teachers in discipline problems to the best of their ability. However, the following procedures are necessary to accomplish this goal:
- Maintain anecdotal records/Parent Logs.
- Contact parents to ensure cooperation at home.
- Do not send students to the office and expect them to explain the reason he/she is being sent to the office. The students always have their side of the story.
- Students must be accompanied by a SCM or written note from the teacher.

CLASSROOM ENVIRONMENT

Check your classroom for conditions that are unsafe and/or inoperable and report problems to the custodian/zone mechanic using the form located in the forms filing cabinet in the cum room. Room arrangements should be designed in such a way that easy access to the door and the fire exit window is easily accessible. A fire diagram showing two plans for evacuation must be displayed by the door. Rooms should be locked when you leave them. Do not store spray cans in your room.

CORPORAL PUNISHMENT

Under NO circumstances is corporal punishment to be administered at any Miami-Dade County Public School. Allegations of corporal punishment will be referred to the Department of Children and Families Services and the Miami-Dade County School Police for investigation.

CUMMULATIVE FOLDERS

All cumulative folders are to be kept in the office. Please see Mrs. Vincenti to check out any folder. The folders are NOT to be left in the classrooms. Each teacher is responsible for accurate and complete cumulative records for his/her students. They must be kept up-to-date at all times. Records for students who transfer to another location must be completed within three (3) days after the registrar informs the teacher of the student's withdrawal.

Check cumulative folders carefully (particularly of transfer students) for pertinent information (i.e. psychological evaluations, referral forms, etc.). Do this throughout the year as students transfer in and out. Please be cautious and aware of the following:
1. The information in the cumulative record folder is confidential.
2. Volunteers and students are not to handle cumulative record folders.
3. Cumulative records must never be taken from the school grounds nor are they to be left in the classroom overnight.
4. The cumulative records are located in the main office under the supervision of Mrs. Vincenti.
5. Items in the cumulative folder should be organized according to the checklist provided by administration.

CUSTODIAL PROCEDURES

All requests for custodial/zone mechanic services are to be given to either the zone mechanic or head custodian. It is the responsibility of every staff member to assist in the cleanliness and maintenance of the school. Students and teachers deserve an environment that is clean and conducive to learning. Avocado has fulltime custodians that work evening shifts in order to maintain the school in an orderly fashion. They are in charge of cleaning the school facility and grounds. If you have any custodial concerns, please see either the principal or the assistant principal and complete the attached form.
DRUG FREE WORK PLACE

Miami-Dade County Public Schools and its employees’ unions recognize that substance abuse in our community exacts staggering costs in both human and economic terms. Substance abuse can be reasonably expected to produce impaired job performance, low productivity, absenteeism, accidents, wasted materials, lowered morale, rising health care costs, and diminished interpersonal relationship skills. Miami-Dade County Public School Schools and its employees’ unions share a commitment to solve this problem and to create and maintain a drug-free work place.

DISMISSAL

BUS AREA PROCEDURES

A supervision schedule is provided to all teachers designating assigned responsibilities for dismissal duty. Assigned teachers will provide supervision at the bus or parent zone and assist in loading the students. These assignments are made to assure the safety of the students. This year the administration is asking for the assistance of all faculty members. Teachers are reminded to adhere to the following procedures:

- All assigned personnel should report to their post at either 1:50pm or 3:05pm and remain with the students until they have been picked up or 3:20pm whichever comes first.
- Teachers responsible for a particular group of students at dismissal are accountable for walking their students out of the building.
- Do not allow students to walk to dismissal alone.
- Teachers are being asked to assist by actively supervising students.
- Please do not give your back to the traffic.
- Please direct cars as necessary and supervise the students.
- Do not allow parents to double park or walk their children across the traffic.
- Students should be directed to walk in an orderly manner at dismissal.

WALKERS

Students that walk home must provide the teacher with a note from the parent that states they allow their child to walk home. Also students CANNOT walk to the corner to meet their parents unless the parent provides a note.

EMERGENCY PLAN IN CASE OF DISRUPTION

During times of emergency the primary responsibility of all school personnel is to provide for the personal safety of students, to isolate the problem area, and keep the school organized and under control.

To avoid alarming the student body and to offer a rationale for certain personnel leaving class areas, the public address system will be used to convey a prearranged signal notifying all personnel that an emergency exists and that they should assume assigned posts and/or actions. Our prearranged signal is either “CODE RED” or “CODE YELLOW.” (See page 38).
EMERGENCY PROCEDURES FOR SERIOUSLY ILL OR INJURED STUDENTS

It is imperative that every student in every homeroom have a completed EMERGENCY CONTACT CARD on file in the office. All members of the school staff are expected to study the following procedures and fix clearly in their minds what is to be done in case of an emergency.

When a child is judged by the classroom teacher or person in charge of the activity to be seriously ill or injured, follow these procedures:

1. The teacher shall immediately dispatch two reliable students to the office or nearest communication device to notify the principal and/or an assistant principal.
2. In cases of serious illness, make the child as comfortable as possible under the circumstances. Do not attempt to move the child until assistance arrives.
3. In case of an accident, take First Aid measures depending on the nature of the accident. (Each staff member should have a basic working knowledge of First Aid).
4. Once administration as arrived, the child should be moved to the office as quickly and as carefully as possible. Ask for the help of other teachers or reliable students. This step would not apply where the teacher might suspect serious internal injury or conditions that may become more serious by moving the student.
5. The teacher will notify the parent and/or relative listed on the Emergency Contact Card.
6. In cases where the parent or others listed on the Emergency Contact Card cannot be reached and it is apparent that immediate professional help is needed, the administrator in charge shall contact the police for the purpose of summoning help.
7. All accidents are to be reported to the office staff by the teacher in charge of the group or activity in writing on Miami-Dade County School forms. However, an injured student is not to be sent to the teacher where the incident originally occurred. The teacher receiving the report must complete the report based on student account of the event.
8. If in doubt about the seriousness of an injury or illness, take action that assumes the worst don't assume all will be OK in time.

When a teacher must leave the room to bring a child to the office, notify the teacher closest to your room to monitor your students and later notify the main office.

An accident report must be completed by the supervising teacher and given to Mrs. Vincenti in the main office.

In more serious cases, an incident report will be completed by the administration and sent to the Region and the District office.

EMERGENCY TEMPORARY INSTRUCTOR PLANS

Emergency plans should be developed with three days of work for students. These are not regular substitute plans that you would prepare if you knew you were going to be out. These will be used only in case of an emergency during your absence. Updated emergency substitute plans should be kept on file in the main office with the assistant principal. It should include: attendance roster, all subject area work, seating chart, daily schedule, school map, fire drill map, and a copy of the safety and security plan.
ENTRY INTO SCHOOL BUILDING AFTER THE SCHOOL DAY
Official permission must be obtained from the principal to enter the school building during hours that the school is not officially open for school business.

EQUIPMENT/REMOVAL OF SCHOOL EQUIPMENT
All school equipment leaving the building must be signed out on the official Use of Equipment form. Permission to sign out equipment must be obtained from the principal. Forms are available through the main office.

EMPLOYEE ASSISTANCE PROGRAM
The Employee Assistance Program is intended to help employees and their families who are suffering from such persistent problems as may tend to jeopardize the employee's health and continued employment. The problems may include alcoholism, drug abuse, legal, or vocational difficulties. Miami-Dade County Public Schools recognizes behavioral disorders and mental health problems as illnesses that can be successfully treated. Employees who need help in those areas of concern will be given the same considerations as those employees with other illnesses. The program goal is to help individuals who develop such problems by providing consultation, treatment and rehabilitation to prevent their condition from progressing to a degree at which they cannot work effectively.

Program Services
The Employee Assistance Program offers consultation to supervisors and employees through training programs and instructional materials provides diagnostic evaluation services for treatment and implements prevention programs to insure ongoing strides to prevent employee's behavioral/ medical health problems. Appropriate measures will be taken to insure the confidentiality of records for any person admitted to the program, according to established personnel guidelines and federal regulations.

The Superintendent of Schools will authorize the issuance of a Procedures Manual, which will constitute approved procedures for implementing the program. The Superintendent of Schools will report to the Board prior to the conclusion of the fiscal year regarding the impact of the Employee Assistance Program, continued availability of the program, including any modification, and the Board shall determine funding annually.

FACULTY/PROFESSIONAL DEVELOPMENT MEETINGS
The transmittal of information, exchange of ideas, and staff interaction are vital to the educational process. Attendance at faculty meetings is required by all personnel. Routine medical/dental appointments should not be scheduled on these days. Faculty meetings for the 2014-2015 school year are listed below. Any changes in that schedule will be announced. To be excused from a faculty meeting, you must see the principal for approval.

FACULTY PARKING

Please park in our designated area only. Parking in other areas is discouraged. Parking is a concern at Avocado Elementary. If an unauthorized vehicle parks in your parking space, advise the office immediately.

FIELD TRIPS

Trips for students are permitted which have value in meeting educational objectives, are directly related to the curriculum, or are necessary to the fulfillment of obligations to the interscholastic athletic and activity program.

In the planning of field trips, absences from school should be restricted to the least number of days possible. The educational purpose and length of the field trip must be approved by the principal at least 2 months in advance and when required, submitted to the region superintendent for approval. Provisions for students to make up the assignments for classes missed due to participation in field trips must be in accordance with procedures outlined in Board Rule 6Gx13-5A-1.04, Student Attendance. A signed parental permission form must be on file at the school prior to student's participation.

Students shall not be denied the privilege of participating in a field trip because of financial hardship or discipline problems. If a teacher is uncomfortable taking a student on a field trip due to discipline problems, the parent should be informed of this and given the opportunity to attend the field trip to take responsibility for the child. A roster is to be submitted along with the field trip application request that includes the names, addresses, and telephone numbers of all students who are eligible to participate in the field trip. Also, a form should be submitted to the cafeteria designating free or reduced lunch status of students at least three weeks prior to the field trip.

Important: ALL CHAPERONES MUST BE CLEARED AS VOLUNTEERS. Please remember that this takes a long time to process.

FIRE DRILLS

When the warning system is sounded throughout the school, teachers will lead the students quickly and silently out of the building according to the evacuation route/direction posted in each room. Teachers will close the doors upon leaving and take their gradebooks. After arriving at the designated safe area, role should be checked to ensure that all students are accounted for. At the all-clear sound, teachers and students will return to class. Fire drills will occur minimally once each month. When the fire alarm rings, teachers should:

- Signal the students to prepare to evacuate.
- Exit with the gradebook in hand.
- Check classroom restrooms and other contiguous rooms.
- Proceed to the room exit and initiate room evacuation. DO NOT waste time closing windows, drawing shades, etc.
- Check to see that everyone has departed the room.
- Close the classroom door. DO NOT lock it.
- Follow the assigned evacuation route to the assembly area.
- Evacuate quickly but do not permit running, shoving, tripping, or excessive talking.
- Take roll call and report missing persons to the principal or the Assistant Principal.
FISCAL PROCEDURES

The responsibility of school funds, expenditures and receipts, is that of the principal. Under no circumstances should any member of the staff order materials, equipment and supplies or collect money from students without the approval of the principal.

FUND RAISING DRIVES - SELLING OF MERCHANDISE OR SERVICES

In order to provide its employees with the opportunity for united participation in the financial support of the services performed by the humanitarian agencies of this community, an annual United Way drive among school personnel is approved. Any other type of fund raising must be approved by the principal. No other fund-raising drives are to be conducted among school personnel. Under no circumstances should a school employee capitalize on his/her position in the Miami-Dade County School System to sell merchandise or services. To do so is a violation of School Board Rules.

GIFTED REFERRALS

Students exhibiting enhanced academic success and superior thinking skills may meet criteria for the gifted program. Children demonstrating these superior qualities should be identified and referred to a counselor as early as possible.

GRADEBOOK CRITERIA (Subject to Change)

The teacher’s gradebook is a legal document required by state law. It can be summoned in any court case as a legal record of grades and attendance. It must be accessible at the school site while school is in session. Emphasis must be placed on accuracy, consistency in recording, and neatness. Designated persons will monitor gradebooks periodically. In organizing and maintaining your gradebook, observe these guidelines:

Classroom teacher should arrange their gradebook by subject according to the order of the report card being used.

Student academic grades should be recorded each week per week per subject for each nine-week period. Each grade should be labeled according to the evaluation device administered to determine mastery of the concept assessed.

Final grades should be recorded in the gradebook each nine week period for each subject.

Record the name and student identification number for every student and the date he/she entered the class by placing the letter E (entered) in the column that corresponds with the entry date.

Teachers must log teacher-parent communications in the official gradebook and specify whether such contact was in person, by telephone, or through written correspondence. When required parent contact is not achieved, evidence of attempts to contact parents should be recorded in the gradebook, and referred to designated administrative personnel for follow-up.

 Unsatisfactory progress notes/failure notices that have been issued should be indicated in the gradebook according to site procedures. **According to School Board policy, Progress Notice indicating unsatisfactory performance must be given to every student that is in danger of**
achieving a grade below a “C” or a 2 in effort. The same applies for behavior. The electronic gradebook can produce such notices for individual students.

**Grading Scale**

The following grading scale applies to students in Kindergarten:

E – Excellent Progress  
G – Good Progress  
S – Satisfactory Progress  
M – Minimum Progress  
U – Unsatisfied Progress

The following grading scale applies to students in grades 1-3:

A  90%-100%  Outstanding Progress  
B  80%-89%  Above Average Progress  
C  70%-79%  Average Progress  
D  60%-69%  Lowest acceptable Progress  
F  0-59%  Failure

Please note that if a student in grades 1-3 is functioning below grade level in Language Arts, Reading and/or Mathematics, the student will receive a letter grade no higher than a D or F and comment 21 (L.A. and Mathematics).

In addition, if a student is in danger of retention, a comment 3 and a comment 45 must be included in the report card. Please note that a comment 40 must be used in order to override a comment 45.

**HALL PASSES**

Students must have a hall pass when leaving your classroom. All students found in the hall without a hall pass will be sent back to their classroom.

**HOLIDAYS**

On a school day, which immediately precedes a holiday, the teacher’s day shall end at the close of their students’ day provided all students have been picked up.

**HOME LEARNING POLICY**

Avocado Elementary recognizes that one of the main purposes of the elementary school is to begin training in the habits of independent study by establishing good work habits and improving while reinforcing skills. This can be done by making assignments that can be carried out without the supervision of the teacher. The responsibility becomes a threefold goal: teacher, student and parents.

**Teacher Responsibilities**

- The teachers will show evidence of home learning assignments in their lesson plans.
• The teachers will check and review the assigned home learning. Home learning assignments will not be given as punishment or as busy work.
• The teachers are to give home learning assignments that are well within the capabilities of students, and can be adapted to individual needs, interests and capacities.
• The teachers are to make sure assignments are clearly understood by pupils, and can be done by the pupils without help from others.
• Home learning assignments will be checked, or graded, and recorded in the gradebook.

Student Responsibilities
• The student is to ask questions pertaining to the assignment during the time the assignment is given or at the teacher’s convenience.
• The student must put forth his/her best effort to do the home learning assignment and to complete it by the due date.
• The student is to turn in the completed assignment in an acceptable manner to his/her teacher.
• The student is to copy all assignments in her/his assignment book, and bring home necessary books and materials.

Parent Responsibilities
• The parent is to provide appropriate time and space free from interruption in order that the student will be able to concentrate without disturbance.
• The parent should encourage the child to finish the assignment or do the required amount of study for the evening.
• The parent should be available for advice or consultation; however, the student should assume the ultimate responsibility.

The home learning policy of the Miami-Dade County School Board emphasizes the importance of reading and encourages parents to become involved in the implementation of the home learning guidelines, which include a marked emphasis on reading.

One way that parents can support a renewed emphasis on meaningful home learning is to ensure that their children read daily. Of course, parents or other family members should make every effort to read to students who cannot read on their own.

The recommended daily home learning averages are as follows:

<table>
<thead>
<tr>
<th>Grade Level</th>
<th>Frequency of Assignments</th>
<th>Total Daily Average (All Subjects)</th>
</tr>
</thead>
<tbody>
<tr>
<td>K – 1</td>
<td>Daily (5 days a week)</td>
<td>30 minutes</td>
</tr>
<tr>
<td>2 – 3</td>
<td>Daily (5 days a week)</td>
<td>45 minutes</td>
</tr>
</tbody>
</table>

All students must read 30 minutes daily in addition to regular home learning assignments.

INTERNET AS A LEARNING TOOL

The purpose of providing students and employees access to the Internet is to promote academic excellence in the District’s educational objectives. This computer technology provides resource sharing, innovation and communication that will help launch today’s schools into the information age. Utilization of the Internet by students and employees must be in support of and consistent with the educational objectives of the District. When utilizing the Internet all users
must adhere to the provisions of this rule and the standards of conduct established in the M-DCPS Code of Student Conduct (both elementary and secondary), Code of Conduct for Adult Students, the Code of Ethics of the Education Profession in the State of Florida, and School Board Rule 6Gx13-4A-1.21, Responsibilities and Duties.

**INCLEMENT WEATHER PLAN**

Each teacher must have on file an inclement weather plan for each student in their classroom. This should be done at the beginning of the school year. All students who walk home should be retained in the school during dismissal time if the weather is poor.

**LEAVING CAMPUS DURING THE SCHOOL DAY**

Staff members are permitted to leave the campus during their designated lunch period without administrative approval; however, they must sign in and out in the office. Persons who find it necessary to leave the campus at any other time during the work day, must have approval from the principal/assistant principal and must also sign in and out in the office.

**LESSON PLANS**

Daily lesson plans are required in advance on a weekly basis. All lesson plans must indicate objectives, activities, assessments and home learning. Please utilize Pacing Guides as they apply to individual subjects.

Additionally, teachers will include sustained Independent Reading time, on a daily basis, as part of their weekly plans.

If you have ESOL students in your class, lesson plans must include the ESOL strategies. (Handout will be provided). These strategies may be coded to facilitate their inclusion in lesson plans.

A variety of activities need to be present with emphasis on hands-on activities, cooperative and flexible groupings and other learning activities that will assure a successful instructional program. FCAT strategies and question formats should be incorporated in all subject areas.

**MAILBOXES**

Mailboxes should be checked and emptied upon arrival in the morning, and before leaving at the end of the day. All pertinent information for staff members will be posted on the bulletin board in the office. Students are not allowed to retrieve items from staff mailboxes.

**MATERIALS AND SUPPLIES**

Basic supplies will be provided to teachers at the opening of school. If you need additional supplies, fill out the supply request form and leave it Mrs. Hernandez in the office. All supply requests will be filled within 48 hours, or as soon as possible.
MEDIA RELEASES

There are instances when students may be recognized for any of a variety reasons via newspapers, television or other forms of media. In order for a student to be recognized in any school event that may have media coverage, it will be necessary to obtain parental consent from the parents/legal guardians. The consent form may be found in the forms section of the handbook. Please plan accordingly so that consent may be obtained well in advance of perspective events. If you have any questions, please see Mrs. Sick in the media center.

MEDICAL EMERGENCIES

If a student or staff member is injured, the principal or designee must be notified at once and the proper forms must be completed. The principal or designee will make the decision to call 911. Remember the safety and welfare of everyone in the school is our number one concern.

MONEY AND VALUABLES

- Do not leave any money in the building overnight.
- Do not leave money in or on your desk.
- No money is to be collected from students without the principal’s approval.
- Do not leave purses or other valuables unattended.
- No money collected for any purpose shall be held overnight by the teacher.
- All monies collected must be turned in to the office and must be submitted WITH A RECAP SHEET listing the student’s name, teacher’s signature, amounts and purpose of collection.
- ALL MONIES COLLECTED MUST BE TURNED IN TO THE OFFICE BY 9:00 a.m.

MORNING PROCEDURES

Students should not arrive at school earlier than 7:45 am unless they are a part of the Before School Care Program if applicable. Classes begin at 8:20am for Kindergarten and 1st grade students and 8:35am for 2nd and 3rd grade students. All Kindergarten students must be picked up in the cafeteria by 8:10am. 1st-3rd grade students must picked up outside their classroom door by 8:25am. Instruction must begin immediately by 8:20am or 8:35am. To accomplish this task parents should not be in the classrooms and teachers should not hold parent/guardian conferences. Remember that the safety of the students is vital. Teachers should have an assignment for the students as soon as they walk in through the door.

OPENING EXERCISES

Opening exercises begin at 8:35 a.m. The closed circuit TV system will be utilized to deliver opening exercises. Special announcements are available to teachers and school programs upon completion of the designated communication form. All students and staff members are encouraged to listen attentively to announcements. To request an announcement, please fill out the announcement form and give it to the media specialist at least twenty-four (24) hours in advance.
PARENT COMMUNICATION

Parent–Teacher conferences should occur on a regular basis. Emphasis should be placed on students’ success and creativity along with academic or behavioral difficulties that the student is experiencing. Please adhere to the following:

1. Please return all parent/guardian phone calls within 24 hours.
2. Teachers must log all parent-teacher conferences and specify whether such contact was in person, by telephone or through written correspondence.
3. Evidence of attempts to contact parents should be recorded in the communication log.
4. A referral to the visiting teacher is appropriate if all attempts to contact the parent/guardian have not been successful.

PERFORMANCE MONITORING PLAN (PMP)

Schools are required to conduct parent conferences for students identified as not meeting the student performance levels in reading, writing, science and/or mathematics. These conferences need to be held immediately upon the identification of the individual student's deficiency. Schools will use the automated PMP form found on the intranet. All teachers will be given access at the beginning of the school year. **IT IS IMPERATIVE THAT YOU SIGN IN ONCE ACCESS HAS BEEN GRANTED. IN ADDITION, TEACHERS MUST SIGN IN AT LEAST ONCE EVERY TWO WEEK PERIOD OR YOU WILL AUTOMATICALLY BE REMOVED FROM THE SYSTEM AND ACCESS WILL BE DENIED.** The parent/guardian needs to be invited to the conference and evidence of that fact needs to be documented and maintained. In the event that the parent/guardian does not attend the conference, the school needs to make a good faith effort to communicate the results of the conference to the parent/guardian. Communication with the parent/guardian could include: a letter sent via the student, a letter sent via registered mail, or a telephone conference.

PARENTAL INVOLVEMENT

Parental involvement is greatly encouraged at our school. Parents are to report to the office before entering classrooms or any portion of the building. Teachers may not hold informal conferences with parents during time when you are responsible for supervising students. Furthermore, **do not impart any information** to parents regarding any aspect of the school other than exactly what pertains to you and your teaching. Please refer parents to an administrator instead. Never disclose or discuss information regarding students with anyone other than the parents/guardians responsible for a given pupil.

PHOTOCOPIES

Teachers need to submit the Copy Request Form located in a mailbox in the Teacher’s Lounge and submit it to the assistant principal for approval. Please submit copy request at least **ONE WEEK** in advance. (Copy schedule will be given). **No last minute copies will be made.**

PROGRAMS FOR ASSEMBLIES

Any assembly held throughout the school year must have a program developed by the grade group or teacher that is sponsoring the event. Programs for assemblies should include the date,
names of administrative team, school name, purpose or title of assembly and School Board on back. All additional information is left up to the teacher or grade group's judgment. The program must be approved by the principal before it is duplicated and distributed.

**PROGRESS REPORTS/REPORT CARD DISTRIBUTION**

Interim progress reports must be sent home midway through the grading period. A notice of failure must be sent home as soon as it is observed that a student is doing unsatisfactory work.

Please follow all instructions received by Mr. Jerkins concerning interim progress reports and gradebook deadlines.

**PUPIL PROGRESSION**

**General Procedures for pupil progression, Grades K-5**

The Student Progression Plan for Miami-Dade County Public Schools is incorporated by reference into School Board Rule 6Gx13-5B-1.04, Promotion, Placement, and Graduation – Grades K-12 and Adult, and contains the requirements and procedures for pupils to progress from one grade to the next, kindergarten through grade 12 and adult education.

The complete document should be accessed at the MDCPS District Internet Site e-handbooks. It is the responsibility of each teacher to implement the general procedures of the Pupil Progression as it relates to your grade level or job assignment.

**POLICY MANUALS**

The Miami-Dade County Public Schools Electronic Staff handbook is accessible on the Internet through the M-DCPS homepage ([www.dadeschools.net](http://www.dadeschools.net)). Click on the link “EMPLOYEES.” Then click on the link “E-HANDBOOKS” that is listed under “EMPLOYEE TOOLBOX.”

**PUBLIC RELATIONS**

Our public image as a faculty is important and each of us is in a position to enhance or detract from it by our actions. Hopefully our high degree of professionalism in all areas will serve to enhance it. Please adhere to the following:

- Strive to answer all correspondence from parents, whether phone calls or written notes, promptly, preferably within 48 hours. This is particularly true in the case of questions and request for conference that come back on report cards.
• Don’t let an unpleasant encounter with a parent result in loss of composure on your part. Arrange a conference with the parent and give him/her an opportunity to voice his/her frustrations. Your patience and understanding in such cases will usually result in the parent working with you rather than against you.
• Never discuss a child’s progress or behavior with another child’s parent. Even though it is difficult, at times, do not indicate to a parent that you agree with him when he/she blames another child for his own child’s problems.
• Avoid discussing problems within our program with parents. They can’t solve them, but we, as a faculty, can try to do so through our collective effort.
• All written communications sent home by anyone should first be cleared by the principal.

REPORT CARDS

The report card serves as a major means of communicating a child’s progress to his parents. The following points should be kept in mind:

• A report card must be completed for each child enrolled.
• “Insufficient Attendance” may be noted when a student is enrolled fewer than 10 days in a Miami-Dade County Public School.
• Grades must be given when a child is enrolled 10 or more days.
• If the student came from another public school in Miami-Dade County, it is the responsibility of the teacher to speak with Mrs. Vincenti in order to receive the grades from the other school on time for the report card.
• It is the teacher’s responsibility to spend considerable time and effort in preparing report cards.
• Comments and grades should be consistent.
• Comments should convey positive, meaningful information to parents.
• A drop in progress should be explained by a comment.
• In order to verify the delivery of the report cards to the home, report card envelopes will be printed with a space for parent signature and should be returned to the teacher.
• An unsatisfactory work notice should be sent at the first indication of unsatisfactory progress or behavior. An unsatisfactory work notice must be sent four weeks prior to the close of each grading period when there is a lack of academic progress, effort, or conduct.

RETENTION POLICY

The Miami-Dade County School System has implemented a strict policy regarding retention. Students who have not received required strategies are not to be retained. Early identification, timely intervention and recording of services in the SCM system are a must.
It is extremely important that each classroom teacher meet with the assistant principal concerning any student who is experiencing academic difficulties. The student will be retained with implementation of documented strategies in accordance with Miami-Dade County Public School requirements.

The following activities must occur prior to a first retention:
Principal – Teacher conference (A9- principal or designee is responsible)
Teacher – Student conference (CA-teacher is responsible)
Parent Conference – (P1-teacher is responsible)
Individual counseling (I4-counselor is responsible)
Developmental Group Counseling (D3-counselor is responsible)
Alternative Strategies – Place student on a PMP (teacher is responsible)

Additionally, the following strategies must occur prior to a **second retention**:
Academic Review (A8-the Assistant Principal is responsible)
Counseling Retained student (CR-counselor is responsible)

All of the above actions must be documented on the SCM form. A memorandum will be provided in January.

**ROOM APPEARANCE AND CARE**

Bulletin boards should display students' work which is current and attractive. The way a classroom looks sets the tone for instruction. An attractive uncluttered room inspires children to learn. Children should be encouraged and trained to develop an attitude of personal responsibility for careful use of their "home" at school. It is important to stop working sufficiently before the end of the school day not only to evaluate the day's work, but also to tidy up the instructional areas and to prepare for the next day. Chairs and instructional materials must be removed from the floors to enable daily cleaning. Each child is responsible for his/her immediate seating area and furniture must not be written on or defaced in any way.

**SCHOOL DAY FOR STAFF**

The elementary classroom teachers’ normal workday will be seven (7) hours and five (5) minutes. Kindergarten and First Grade Teachers begin their workday at 8:05am and **conclude at 3:10pm**. Second and Third Grade Teachers begin their day at 8:20am and **conclude at 3:25pm**. School policy is that all employees who leave the work location during their work hours excluding lunchtime will complete the required Leave Early Form. **Please be reminded that approval to leave early is at the discretion of the principal.** This form must be turned in to Ms. Allison for approval at least 24 hours in advance.

An employee present more than one-fourth (1/4) and less than three-fourths (3/4) of the workday is considered as having worked one-half (1/2) day and an employee present three-fourths (3/4) or more of the workday is considered working a full day, upon prior approval of the principal.

**SCHOOL DRESS CODE**

The following uniform policy is in effect for the 2014-2015 school year:

- Skirts, culottes, pants, shorts or jumpers in the following colors: Khaki
- “Polo” Style shirt in the following color choices: White, Dark Green
- Shirt should be plain or may display the Avocado Logo (optional). They should not be oversized.
- Shoes should be closed toe and socks are required.

On cold days, sweaters, sweatpants and sweatshirt may be worn that comply with the uniform colors. Outerwear that will be removed upon arrival at school need not comply with the uniform color specifications.
Children with uniform waivers are exempt from wearing the established school uniform but are still expected to consistently dress and be groomed in a fashion that reflects pride in oneself and one’s school. All students are expected to wear comfortable, closed-toe shoes and socks in order to protect their feet. Halter tops, tank tops and short shorts are not permitted. In addition, written messages, pictures, and/or symbols on clothing which portray ideas inimical to the health, safety, and welfare of students, e.g. messages which relate to drugs, smoking, alcohol, sex, and/or profanity are NOT permitted.

SCHOOL VOLUNTEERS

School volunteers are greatly encouraged as a part of our school. It is important that all volunteers complete a Miami-Dade County Public School Volunteer Application and attend an orientation. You may get the application in the main office. A person will not be considered a volunteer, and therefore will not be covered under Florida Workers’ Compensation Law, unless a completed application is on file in the Department of Community Participation. Florida Statutes define a school volunteer as any non-paid person who may be appointed by a School Board or its designee. School volunteers may include, but not limited to, parents, senior citizens, students, and others who assist the teacher or other members of the school staff. All school volunteers must clear a background check prior to assuming volunteer responsibilities. **This rule includes room parents. All chaperones must be cleared as volunteers prior to attending any and all field trips or school functions.**

SOLICITATIONS AND SALES

There will be no solicitations or sales of any non-instructional products, goods, materials or services on the school grounds. Products furnished by businesses for the purpose of advertising are not to be distributed to pupils, except for those donated items given as prizes/rewards.

SPECIAL CLASSES

The teacher must accompany his/her class to and from all special classes. Students must arrive on time in an orderly manner and are expected to be dismissed on time in an orderly manner. **EACH STUDENT IS TO BE IN ATTENDANCE IN ALL SPECIAL CLASSES AS SCHEDULED.**

STAFF ARRIVAL

Instructional staff are expected to **arrive at school by 8:05am or 8:20am.** and place their initials on the sign-in sheet. Teachers with a homeroom are to **pick up their students no later that 8:15am or 8:30 am.** The school is to be notified if staff members will be late. Failure to do so may result in loss of pay for the day. It is imperative that the school be notified immediately when you know you will be absent or late. This will alleviate the problem of getting substitute coverage. Please do not sign in and out in the morning as this may result in an audit exception for the school. Your cooperation is expected and appreciated.

STAFF EMERGENCIES/ABSENCE OF DUTY

The designee for obtaining emergency substitutes for the 2014-2015 school year is Ms. Allison. All staff members report absences by calling 305 242-6141 and follow the prompts. To ensure a
sub, by contract you must call in by 7:15 am. Additionally, when you have been absent, you must call Ms. Allison **no later than 2:00 p.m.** to let her know if you are returning to work the following day. If we do not hear from you by 2:00 p.m. **we will retain the substitute for the next day.** Ms. Allison may be reached **after 7:00 am – 3:00 pm** 305-247-4942 ext. 2112 (school).

**STAFF TARDINESS**

Administration will monitor staff members who abuse the attendance and tardiness rules – it puts a hardship on your students and your fellow teachers. Additionally, it is neither fair nor contractually correct to use special area teachers to cover classes if substitutes cannot be found in a timely manner. Any staff member expecting to arrive after 8:05am or 8:20 a.m. must speak to the principal or the designee on that morning. If this policy is not adhered to, the employee will be charged a half-day absence.

**SCHOOL SUPPORT TEAM/RESPONSE TO INTERVENTION**

The purpose of the School Support Team (SST) is to devise alternative strategies for students who demonstrate learning or behavioral problems or for those students needing an enrichment component. Be aware that SPED programs are governed and ruled by federal guidelines; therefore, under no circumstance can a teacher volunteer any type of information regarding student testing/placement.

It is the teacher’s responsibility to start the process on any student who needs additional support. This includes a classroom teacher and/or special area teacher. Parents may also request a SST for their child. It is their right to do so. If you need assistance, please see Mrs. Oliu.

Mrs. Oliu will provide you will all the necessary paperwork in order to begin the SST/RTI process.

It is important that parents are not advised of the following by instructional personnel:

**Do not advise parents that their child will be tested.** Referral for a psychological evaluation is determined by the M-Team/SST.

**Do not advise parents that their child has a learning disability or is emotionally handicapped.** Program eligibility is determined by a psychological evaluation and determined at the time of staffing by appropriate region personnel.

**Do not advise parents that their child is gifted.** Program eligibility is determined by a psychological evaluation and determined at the time of staffing by appropriate region personnel.

**Do not advise parents that their child has ADD/ADHD.** This is a medical condition that can only be determined by a medical doctor not a school psychologist.

**Do not advise parents that the evaluation process takes too long** and they should consider having their child evaluated privately.

**STUDENT WITHDRAWALS**

When a child is withdrawing, the registrar may provide you with a Withdrawal Information Sheet. The use of this checklist facilitates the process of withdrawing the child. Occasionally, a child withdraws and then returns to school after several weeks. In this case, you must receive information from Mrs. Vincenti in order to re-admit this student to your class. This is your notification that he/she has cleared through the office and his/her records have been re-activated.
SUPERVISION OF SCHOOL GROUNDS

The Avocado Elementary Safety Patrol, under the supervision of Ms. Nimmer, will provide guidelines for safety on school grounds before and after school. Kindergarten and first grade paraprofessionals (or assigned paraprofessionals) will escort students to after school care and buses. Classroom teachers will escort students to parent pick-up, after school care and buses will provide supervision until all students have been picked up. The principal and the assistant principal circulate the grounds before and after school.

TELEPHONE USAGE/MESSAGES/CELLULAR PHONES

The school's telephones are for conducting school business. Personal telephone calls are to be limited to EMERGENCIES ONLY. Calls will not be transferred to your room, unless it is a family emergency. Charges for long distance calls to the school phones, requests for operator assistance, and operator requests to interrupt a call are prohibited. Telephone messages will be placed in your mailbox. You will be informed immediately should you receive an emergency phone call. Telephones on secretaries' desks are not to be used by staff members.

The phones in the main office and classroom extensions are specifically for official school business. The use of the telephone by children will be confined to emergency calls only. Under no circumstances are children to call their parents to make after school recreation arrangements, bring home learning assignments, etc. Please carefully screen student requests to use the phone. If teachers feel it necessary for a child to call home, an office pass should be filled out and brought by the child to the office.

Cellular Phones

Cellular phones may not be utilized during the time staff is assigned work duties and/or the supervision of students. Students may have cellular phones but must be directed to turn them off while in class.

TESTING

It is important that we prepare our students for the required state and district testing. A variety of test formats are recommended to be used: timed test, multiple choice, short response and extended response, etc. The various formats are to be included in your regular classroom assessments. Pretests are to be administered to determine the students’ prior knowledge. The results should be used to customize instruction, thus facilitate learning.

It remains the professional responsibility of each teacher to adhere to strict security and testing guidelines during FCAT and SAT administration. You will receive a Testing Calendar for the 2014-2015 school year. Please mark all dates on your calendar.

TEXTBOOKS

Adequate textbooks are to be provided to each student in order to ensure that required home learning assignments may be accomplished and provide continuity of instruction. Every student should have access to supplemental readers to be used in the classroom or at home.
Please do not make the statement, “We do not have enough books.” If you find a need in materials, we will attempt to correct it immediately. Please see Mrs. Oliu.

Each of you should assume the responsibility for textbook control with your group. Please account for all textbooks you checked out during the year. No student is ever to be denied textbooks. It is recommended that each teacher conduct quarterly textbook audits to help maintain accurate inventory accounts in the classroom.

All charges for lost or damaged books are to be paid in the office as soon as possible. The teacher must see Ms. Allison for a textbook receipt that includes title and cost of the book. The student responsible for the loss or damaged book should come to the office with money and textbook receipt. Teachers are responsible for providing an accurate textbook inventory to the the Assistant Principal at the end of the school year.

**TITLE IX**

Elementary schools are required to implement the necessary actions to fully comply with the Title IX Regulations prohibiting sex discrimination in schools. Physical education classes will be organized according to ability rather than sex except for certain contact sports. The intent of the requirement is to insure equal opportunities and remove cultural biases, which limit aspirations due to gender.

**VIDEOS**

Teachers may not show videos in the classroom without prior authorization from the principal.

**VISITORS**

All visitors for students or staff must check into the main office and display their identification VISITOR PASS tags at all times.
Sexual harassment is a form of sex discrimination that violates Title VII of the Civil Rights Act of 1964.

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when submission to or rejection of this conduct explicitly or implicitly affects an individual's employment, unreasonably interferes with an individual's work performance or creates an intimidating, hostile or offensive work environment.

Sexual harassment can occur in a variety of circumstances, including but not limited to the following:

- The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex.
- The harasser can be the victim's supervisor, an agent of the employer, a supervisor in another area, a co-worker, or a non-employee.
- The victim does not have to be the person harassed but could be anyone affected by the offensive conduct.
- Unlawful sexual harassment may occur without economic injury to or discharge of the victim.
- The harasser's conduct must be unwelcome.

It is helpful for the victim to directly inform the harasser that the conduct is unwelcome and must stop. The victim should use any employer complaint mechanism or grievance system available.

When investigating allegations of sexual harassment, EEOC looks at the whole record: the circumstances, such as the nature of the sexual advances, and the context in which the alleged incidents occurred. A determination on the allegations is made from the facts on a case-by-case basis.

Prevention is the best tool to eliminate sexual harassment in the workplace. Employers are encouraged to take steps necessary to prevent sexual harassment from occurring. They should clearly communicate to employees that sexual harassment will not be tolerated. They can do so by establishing an effective complaint or grievance process and taking immediate and appropriate action when an employee complains.

Common Sense Suggestions for Non-Instructional Employees

- Do not discipline, counsel or touch students. Notify an administrator if you believe a student is misbehaving.
- Do not flirt with students, staff members, and co-workers.
- Do not discuss your personal life or personal matters with students, staff members, and co-workers.
- Know and follow your worksite policy regarding reporting absences and tardies.
- Request vacation days in writing and in advance for approval. Do not call in the morning and expect to be granted vacation leave for that day.
- Do not conduct personal business during work hours or use the phone for personal calls.
- Be present and on time every day.
- Be a role model at work and in the community.
- Dress professionally, appropriately, and modestly. Wear your uniform if your job requires it.
- Know School Board Rules, especially regarding Drug-Free Work Place, Violence in the Workplace, Weapon Possession, Corporal Punishment, Sexual Harassment, Employee Conduct and Non-Instructional Personnel.
- Do not argue with co-workers; use of profanity is prohibited by Board Rule.
- Respect your supervisor and follow all instructions given, whether or not you agree with them.
- Request a leave if you will be absent from the worksite more than 30 days.
- Do not assume your supervisor/principal knows why you are absent for a long period of time. Notify him/her in writing of your intentions. It is better to resign than be terminated from your job for abandonment.
- Remember, romance and work can be a dangerous combination. Do not risk your paycheck for what may be a temporary partner!

Civil Rights and Diversity Compliance
Common Sense Suggestions for Students

- Dress appropriately and modestly.
- Keep your hands and other parts of your body to yourself.

- Do not harass fellow students; respect their differences. What you intend as humor may, in fact, be cultural bias or harassment.
- Watch what you say, how you say it, and who you say it to.

GUIDELINES FOR INSTRUCTION PERTAINING TO THE FLAG AND PLEDGE OF ALLEGIANCE

The flag and the pledge of allegiance to the flag are important symbols of the democratic heritage of the United States. It is required that the pledge of allegiance be said at the beginning of the day in every elementary and secondary public school.

The public school system is one of the major social institutions responsible for the transmission of our democratic heritage to present and future generations. In fulfilling that responsibility, each school through its instructional programs and activities will provide knowledge of and encourage respect for the important symbols of our nation.

Board Rule, Florida and federal statutes, and court decisions provide the bases for the following guidelines to be observed by each school in carrying on instructional activities in regard to the flag and pledge of allegiance.

I. Teachers will direct their instructional efforts toward understanding patriotism and appreciation of freedom in our country.

II. The essentials of the United States Constitution and flag education, including proper flag display and flag salute will be taught in all schools.

III. In pledging allegiance to the flag, the following pledge will be used: “I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.” Students will be taught not to pause after one nation when reciting the pledge of allegiance to the flag.

IV. The pledge of allegiance will be rendered by standing with the right hand over the heart.

V. Students who, because of religious or other deep personal conviction, do not participate in the salute and pledge of allegiance to the flag will stand or sit in silence.

A. The staff will counsel with students who do not participate in the pledge and flag salute. The main purpose for counseling would be to assist students in understanding our democratic heritage and in respecting the rights of all citizens. Parents are to be contacted to determine the reason for the student’s behavior. Parents will be asked to provide a written request to excuse the student from reciting the pledge.

B. Students who do not participate in the pledge and salute, who stand or sit quietly, even though failing to get written parental permission, may not be disciplined.

C. Students not participating in the pledge and salute to the flag who interfere with others doing so will be considered disruptive. Any gestures, words, or actions other than those officially prescribed above will be considered interference with the rights of others and disruptive. In those instances where interference or disruption occurs, the school staff will take appropriate disciplinary action.

Checklist of School Site Responsibilities for Hosting Parent Academy Workshops

The Parent Academy strives to ensure that the parent workshops offered at your site are successful and a positive experience for parents. Through the collaborative efforts of The Parent Academy staff, school site staff, and your parent community, we can work together to help parents partner in their children’s education.

☐ Contact The Parent Academy office at 305-995-2680 to schedule workshops, and use the Request for Class form to ensure that workshops are pre-approved.

☐ Identify workshops based on the needs of your school community.

☐ Select an appropriate room for the workshop. Please consider accessibility, and make sure it is easy to locate and can accommodate the expected number of parents.

☐ Ensure that all audiovisual requests are met.

☐ Provide appropriate building coverage if workshops are held after hours.

☐ Inform all staff members of workshop title, date, time, and room number so they can assist parents when they call or as they arrive.

☐ Encourage school site staff to help engage parents and encourage them to attend.

☐ Send the automated phone message to parents to inform them of the workshop. The Parent Academy will provide you with a script.

☐ Distribute fliers, as needed. The Parent Academy will create the flier, if needed.

☐ Engage your PTSA and EESAC to help inform parents.

☐ Post workshop information through the parent portal.

☐ Have high expectations that your parents will participate, and communicate your expectations to them.
